Dear friends,

Greetings from IPSA!

It has been noticed that some of the delegates of the 61st All India Political Science Conference at Bikaner have deposited their registration fee, but they have not submitted the registration form to the IPSA office. We have no information about them.

The list of the registered delegates is available on our website [www.ijps.net.in](http://www.ijps.net.in).

We regret to inform that if their registration forms are not received by the IPSA office until 28th September, we will not be able to provide accommodation for such delegates.

Please circulate this immediately amongst your friends, scholars, and colleagues who are willing to attend the conference.

Yours Sincerely

(Professor Sanjeev Kumar Sharma)
